Clerk, U.S. Courts  
District Of Montana  
Billings Division

Emergency Motion.

CR-02-133-BLG

Comes now Jackson Baugus. In Compliance with the Clerk of Court's direction As well as speaking to the AUSA over the financial litigation unit.

That informed me that the fine could be held secondary to the VA loan to get a assistant living home with a in home care provider.

That is vital to my every day health care.

I was told to file a Emergency letter / Motion to this honorable Court in hopes of this Court's intervention in Making my fine secondary to the VA loan. That will not be approved if the fine is first lean. A VA loan was approved with closing on the 7th. It has now been put on hold.

I turn 80 next month. I am diabetic, a two time prostate cancer survivor. I currently take 20 different pills, that is administered by my health care provider.

My fine payment is taken every month from SSI Check.

Which is taken even before my Check is deposited.

I currently live in a apartment that is not designed for my medical needs. I currently use a cane or a

Walker to move around. By granting  
this request and making my  
Sire secondary to the VA loan.  
Which will allow me to get  
into a home that is suitable to  
my medical needs which also  
allows permanent in home care  
that will over see my daily needs  
as being met for a better quality  
life.
